**CAPITAL IMPROVEMENTS ADVISORY COMMITTEE
STAFF REPORT**

Meeting Date: June 5, 2018

To: Chairman and Members of the Capital Improvements Advisory Committee

From: David Hawkins, Director of Community Development

Subject: New Business Item C-1
Semiannual Impact Fee Report

Purpose:

Consider approval of the Semiannual Impact Fee Report to the Town Council

Background:

Section 395.058 (c) (4) of the Texas Local Government Code requires that the Capital Improvements Advisory Committee (CIAC) file semiannual reports with respect to the progress of the capital improvements plan and report to the political subdivision (Town Council) any perceived inequities in implementing the plan or imposing the fee.

Analysis:

The Impact Fee program for the Town of Argyle is progressing as outlined in the adopted Impact Fee Study adopted on April 7, 2015 (Adopted on a 5 year schedule). Impact Fee collection totals for the fiscal year to dates are as follows:

Waste Water Impact Fee Account:

FY18 YTD as of 3/30/18: \$62,118.93

Roadway Impact Fee Account:

FY18 YTD as of 3/30/18: \$64,301.17

Ending fund balances (unaudited) for Impact Fees as estimated for March 30, 2018 (unaudited) are as follows:

Waste Water Impact Fee Account: \$343,467.36

Roadway Impact Fee Fund Account: \$962,269.57

There are no signs of any perceived inequities in implementing the capital improvements plan or in the imposition of the fee.

Recommendation:

Staff forwards the Impact Fee Report for your consideration.

CAPITAL IMPROVEMENTS ADVISORY COMMITTEE STAFF REPORT

Meeting Date: June 5, 2018

To: Chairman and Members of the Capital Improvements Advisory Committee

From: David Hawkins, Director of Community Development

Subject: New Business Item C-2
Semiannual Impact Fee Report

Purpose:

Discussion and review of impact fees for residential and non-residential developments.

Background:

At the previous CIAC meeting, there was discussion about what the current impact fees rates were for the Town of Argyle and how they compare to other cities that collect impact fees. Staff has compiled a summary chart that lists the Town of Argyle current Roadway and Wastewater impact fee rates for both residential and non-residential developments as well as five (5) other cities.

In addition, there was discussion about next steps in preparations for the next Impact Fee Ordinance Update. Per Chapter 395 of the Texas Local Government Code (TLGC), Impact Fee Ordinances are mandated to be updated every five (5) years. The last update for the Town of Argyle was completed on April 7, 2015. The next update will need to be completed by April 2020 so staff will be preparing to initiate this process next year near April 2019 as this process can take up to a year to complete. Staff was also able to receive confirmation from a consulting engineer that impact fee funds can be used to update the program and to pay the cost for consultants to prepare the technical work.

Recommendation:
