A WORD FROM THE CHIEF

Hello, I am William T. Tackett, Chief of Police, and I would like to welcome you to the Argyle Police Department Crime Control and Prevention District. I am very proud of the men and women of our police department who protect and serve

you on a daily basis and of the members who proudly serve on the Board of Directors for the purpose of managing, controlling and administering the district's funds. I hope this newsletter will provide you with an overview of our district's activity and mission focus.

The Argyle Crime Control and Prevention District goes above and beyond in making sure that we remain one of the best equipped, first-in-class police departments of our size. I invite

you to get involved with us, apply a little forward-thinking and join us through participation in one of my many community watch groups and other such programs hosted throughout the year. My door is always open or you may email me at wtackett@argyletx.com. I look forward to hearing from you!

THE ARGYLE CRIME CONTROL DISTRICT SENDS \$1,500.00 TO ARGYLE ISD FOR RED RIBBON WEEK!

Continued support of Red Ribbon Week is high on the priority list of the ACCPD. This nationally recognized campaign for drug awareness and prevention began as a grassroots effort after the 1985 death of DEA agent Enrique "KiKi" Camarena in Mexico. Both Hilltop Elementary and the Argyle Intermediate School have had Retro Bill, Team Impact, magic shows and Eddie Coker to name a few come to their school and give presentations during RRW.

What is a Crime Control and Prevention District (CCPD)?

A Crime Control and Prevention District is a special purpose district created for the purpose of improving crime prevention and reducing crime. In 1989, the Texas Legislature recognized that smaller cities within large metropolitan areas are greatly impacted by "big city" crime without the "big city" resources to fight the crime problems they face. The Legislature passed the Crime Control and Prevention District Act to enable cities to create a special district that can collect a sales tax specifically dedicated to crime control and reduction. Argyle's initial election was held September, 2003.
